NSW Tel: (02) 9772 2299

To our friends from Clean and Gone,

I want to thank you for your generous support of Padstow Community Care. Our Community Store will benefit from your generous donation of shop fittings and accessories. We appreciate your support and this will allow us to focus finances and resources into other much needed services in our community. On behalf of Padstow Community Care I want to thank the staff at Clean and Gone for their efforts in communication, the loading of our transport truck on a weekend, the supply of shop fittings and the expression of support in the future.

Thank you for your generous and continued support of Padstow Community Care. I look forward to our future friendship together

With thanks

Grant Heslop

Manager Padstow Community Care
